

**Partnerships with WEF, FWEA, FSAWWA, ITA and OCU Renewed for 2014**

*By Graham Nasby, WWID Director*

I am pleased to announce that we will again be partnering with various other organizations to put on our 2014 ISA Water/Wastewater and Automatic Controls Symposium.

Our 2014 technical co-sponsors will again be:

- WEF Automation and Information Technology Committee, Water Environment Federation (WEF AIT)
- Florida Section of the American Water Works Association (FSAWWA)
- Florida Water Environment Association (FWEA)
- Instrumentation Testing Association (ITA)

Part of these partnerships means discounted symposium rates for AWWA, WEF, FSAWWA, FWEA and ITA members. Members of these organizations are able to register at a discounted rate compared to the normal list price. (ISA members also get a discount as well.)

We will again be offering a tour of a local water treatment plant as part of the 2014 WWAC Symposium. Note: An announcement about which facility we will be touring will be made closer to the symposium.

We look forward to reporting more details about these partnerships in the next issue of this newsletter.

**LINEATOR™**  
Advanced Universal Harmonic Filter

**#1 Performing Passive Harmonic Mitigation Filter**

An easy to apply, passive filter capable of reducing Adjustable Speed Drive (ASD) harmonics by up to 10 times with none of the inherent problems of conventional filters.

- High-efficiency harmonic solution
- Exceeds 18-pulse performance
- Guaranteed to meet IEEE 519 standards

**Real-world expertise in a variety of Wastewater / Water treatment applications:**
